Summary 1

Clarity of Objectives:

- Most respondents are either "**Very Satisfied**" or "**Satisfied**" with the clarity of the program's objectives. A smaller portion rated their satisfaction as "**Neutral**".

Overall Structure:

- The overall structure of the program received a majority of "**Very Satisfied**" and "**Satisfied**" responses, with a few participants indicating "**Neutral**" satisfaction.

Quality of Supporting Materials:

- The quality of supporting materials received predominantly "**Satisfied**" and "**Very Satisfied**" feedback. A few participants marked "**Neutral**" in their response.

Time Allocation:

- Most respondents were either "**Very Satisfied**" or "**Satisfied**" with the time allocated to each topic or module, with some responses marked as "**Neutral**".

Accuracy of Information:

- The accuracy of the information provided in the program was highly rated, with most responses in the "**Very Satisfied**" and "**Satisfied**" categories.

Summary 2

Depth of Topics:

•While the majority of participants rated the depth of the topics covered as "**Satisfied**" or "**Very Satisfied**", a few responses were "**Neutral**" or "**Dissatisfied**".

Practical Examples and Case Studies:

•Practical examples and case studies were generally well-received, with most participants being "**Satisfied**" or "**Very Satisfied**", although some marked their satisfaction as "**Neutral**".

Understanding of the Topic:

•Most respondents felt they had a good understanding of the topic, with the majority selecting "**Very Satisfied**" or "**Satisfied**".

Knowledge Improvement:

•Responses to the improvement of knowledge after the program were mostly "**Satisfied**", though there was a notable portion of "**Neutral**" feedback.

Application to Real-World Scenarios:

•Participants were generally "**Very Satisfied**" or "**Satisfied**" with their ability to apply what they had learned to real-world scenarios.

Summary 3

Reusability of Materials:

- The potential to reuse the materials or knowledge gained from the program was rated favorably, with most responses being "**Very Satisfied**" or "**Satisfied**", though there were a few "**Neutral**" responses.

Likelihood of Recommendation:

- The likelihood of recommending the program to others was generally positive, with a majority selecting "**Likely**" or "**Very Likely**". Some participants, however, indicated "**Neutral**" likelihood.

The feedback indicates a generally high level of satisfaction, particularly in terms of clarity of objectives, structure, time allocation, and the potential to apply and reuse the materials in the future. Areas for improvement could include further engagement in depth of topics and practical examples.
